This Amazon list includes every school supply needed for sixth grade with the exception of the Chromebook Computer: [GLA 7th Grade Supply List](#)

It is highly recommended that your student bring a compatible computer charger to leave at school. This will be returned at the end of the year, and will help make your student's days run smoothly.

- **Please Note: If these items are brought in as "school supplies" at the beginning of the year, they will be considered classroom community property. Personal items such as, sparkly pens, mechanical pencils, and other items your student wants to keep with them will need to be brought in their backpacks when they come to school, not in advance with their regular supplies.**
- This Amazon list is completely optional and a kind of teacher "wish list" that will be updated periodically: [GLA 7th Grade Bulk Supply Wish List](#)
